# Careers Quiz

Providing guidance in the Digital Sector

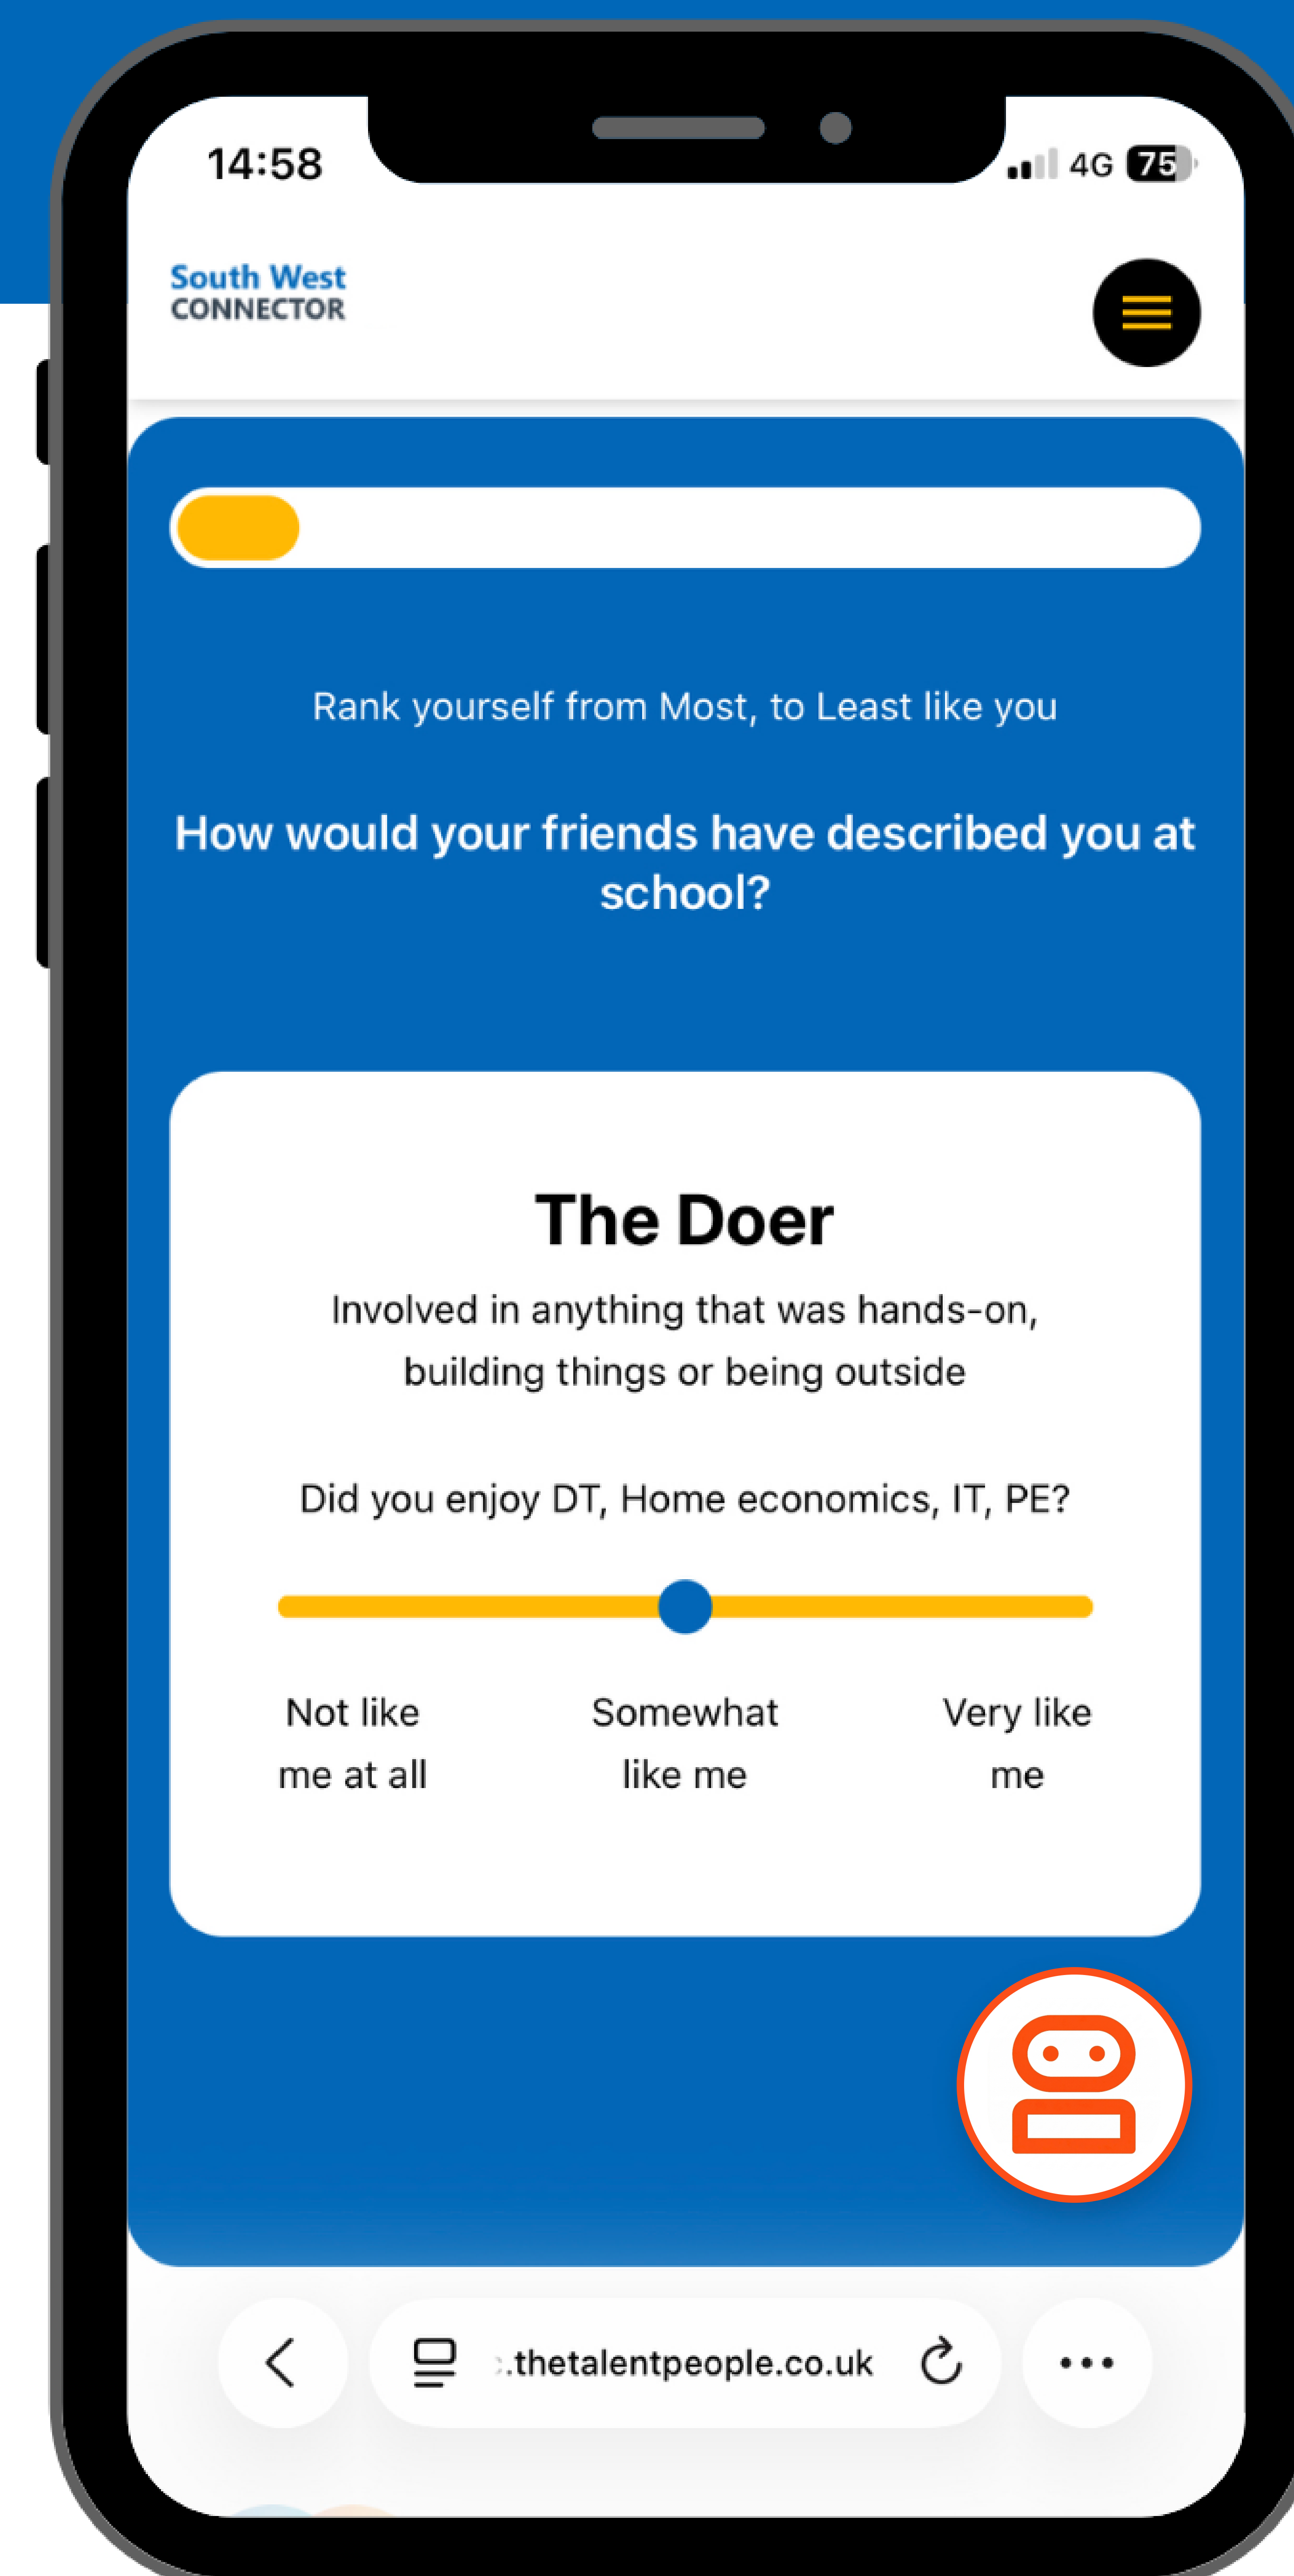

The Careers Quiz is designed to help you find your place in the digital careers space.

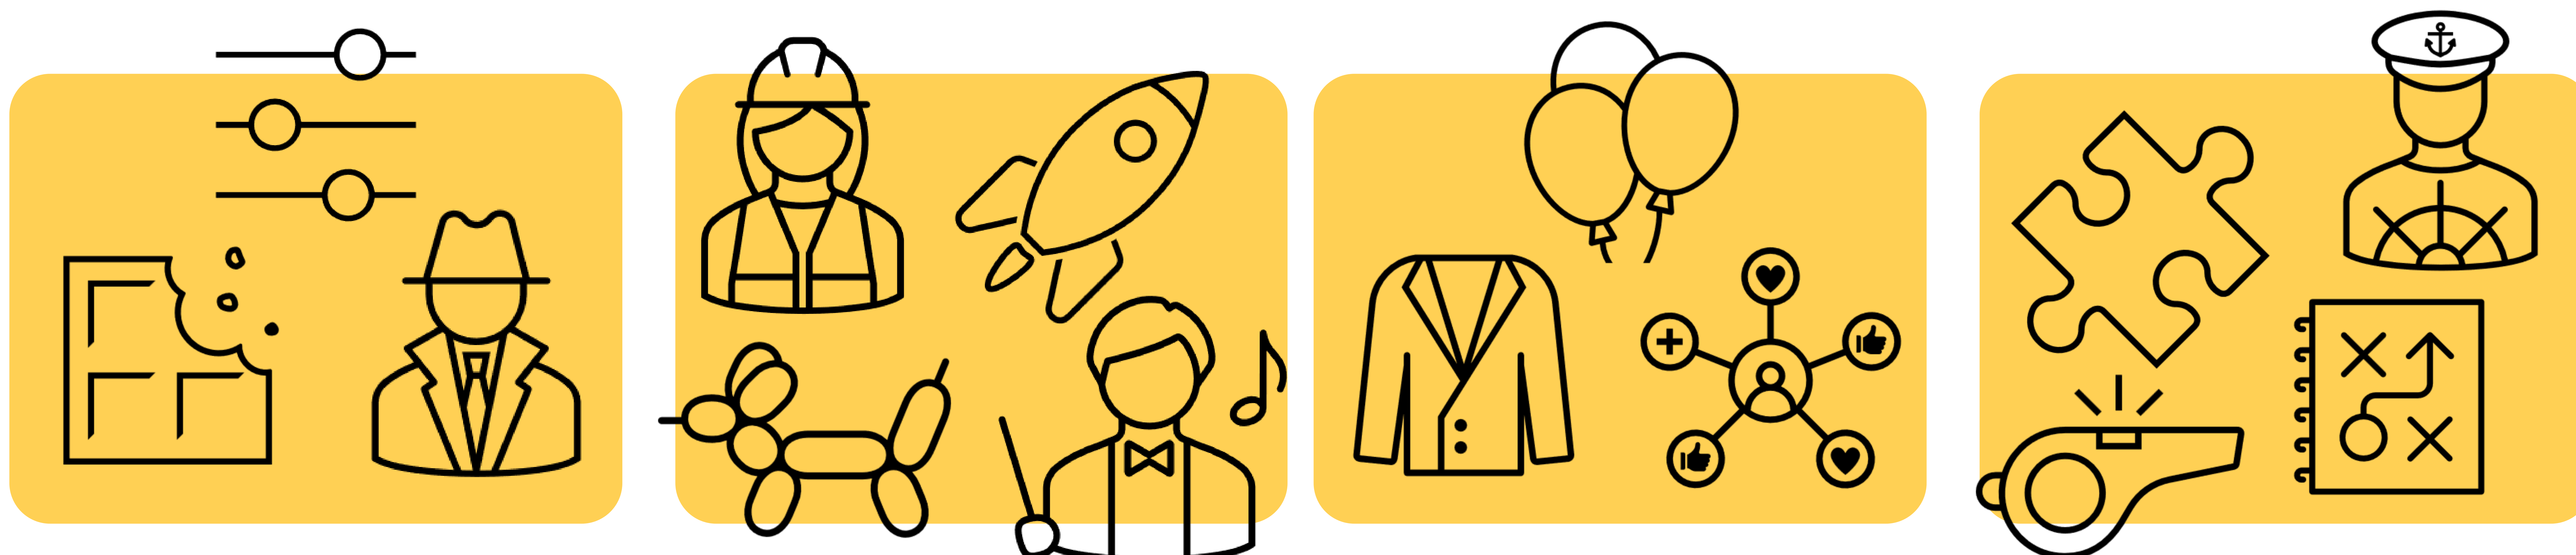

In just **5 minutes**, the Connector Careers Quiz will analyse your personality and **recommend a career path**.

You don't need an account to take the quiz - it's **open to everyone!**

Upon completion, the quiz assigns a 'persona' which can then be used to guide your job search and find your perfect match!

Discover which of our 15 personas you could be...

If you like the quiz, **register to access** employers, opportunities and learning resources
