

## **Discover Your Digital Destiny With Microsoft Connector**

With so many options available and the pressure to make the right choice, navigating the job market can be overwhelming – but it doesn't have to be. Planning out your future should be exciting, and with Microsoft Connector's Careers Quiz, the options are laid out for you – matching you to digital careers that align with your personality type. Ultimately, Connector will help you navigate the areas you wish to specialise in whilst identifying the types of companies seeking your digital skills...

### ***From Passion to Purpose***

Finding your passion can be often quite easy, in fact – it could come naturally, without a second thought. The struggle that most could have is discovering what their purpose is, especially in their career. True career fulfilment is often found when our job matches with our passions – giving us a sense of purpose every day. Microsoft Connector's Career's Quiz acts as a guiding light, matching you with digital jobs that you could be passionate about. By completing the quiz in just a few clicks, you open doors to opportunities you might not have considered, while gaining reassurance that those careers you might have thought about are a good fit for you.

### ***Understanding your strengths***

Reflecting on your strengths and uncovering your personality type can set you on track to landing a job that is your perfect match. Sometimes, it takes a tool like Microsoft Connector's Career Quiz to truly recognise the types of jobs that need individuals like you. With Connector, you'll even understand how the subjects you were best at in school translate into skills that are in demand in digital jobs. This self-awareness not only empowers you to pursue opportunities that match with your interests but can also boost your confidence in showcasing your strengths to potential employers.

### ***Your Digital Career Match is Just a few clicks away***

Time is precious, especially during your job search. Now that you understand how Microsoft Connector's Careers Quiz is invaluable to find the perfect job for you, it is important to note how close you are to finding the digital career you've been waiting for. In just a few minutes, Connector will show you several statements for you to either agree or disagree with. Depending on your ranking, from favourite to least favourite, or how closely the statements resonate with you, you'll receive digital job matches fitting to your personality. It's as simple as that!
